# REPORT ON THE ONE AFRICA FREEDOM DIALOGUE

## THE ROLE OF FREEDOM GIANTS, IN NATIONAL DEVELOPMENT

A Freedom Giant is any human being who stands tall in matters of National Discourse, lives in the continuous presence of Freedom and ensures that no one comes against his or her rights. A Freedom Giant is a Gamechanger, a pacesetter, and a Trailblazing Survivor. A Freedom Giant is someone who has conquered various forms of oppressions in the society, and settles with the life or Excellence, all the promotion and sustenance of Freedom, in the Global Anatomy. A Freedom Giant ensures that his liberties are not encroached upon. A Freedom Giant is always ready to stand alone, even if he or she is the only one worthy to stand at point in time, worthy of standing for course, once he or she knows, it is for the benefit of the Global Anatomy. A Freedom Giant is always ready to face various challenges, because he or she knows, Freedom will prevail. A Freedom Giant is always ready to roar like a Lion, stand tall to fight every battle confronting his society, knowing God will definitely always, come through to save his people, for the Freedom, the Global

Anatomy, needs. We must know that every form of oppression in one area of our habitat, or geographical location, one way or the other goes on to adversely affect other societies. It is for this reason that **AFRICAN VOICES INTERNATIONAL** entreats all sundry to stand as Freedom Giants for the Freedom, the Global Anatomy, needs. When we roar, fight the battle, we will always see our Freedom Master; God, coming through for the Freedom we need. That is when we are celebrated as stars, who have done phenomenal things and have become Freedom Legends.

**THE ONE AFRICA FREEDOM DIALOGUE** on **THE ROLE OF FREEDOM GIANTS, IN NATIONAL DEVELOPMENT**, was held on **INTERNATIONAL MEN'S DAY**; 19<sup>th</sup> November, 2021. The Dialogue was held by celebrated African Men, to talk on the need to keep on standing tall, in this era of Mediocrity, and bring out the Spirit of Excellence, the Global Anatomy, needs. There has been so much altruistic dispositions by a lot of individuals in our society. Corruption, Bad Governances and various work malpractices have been characterised with our nature. It is up to Freedom Giants to say "No!, I'm not going to settle for this." Freedom Giants must abhor all forms of oppression, and stand tall for the changes, we want and need, in our societies. That is how Africa can grow. That is how can rise. We must take the sacrifices we need, and change the Global Anatomy, for her good. We must fill in the gap of hopelessness, discriminations, hatred, nepotism and envy with Hope, Unity and Support for each other, Tranquility, Generosity and Neutrality in matters of Social, Political and Intra-National Events. That is how Africa will be the change, our youths desire for. That is how we can combat all the challenges baffling the African Anatomy.

Let us all rise up to the call. Let us play our various parts well as functional Freedom Giants. That is how we can pave the way for other people's successes, which can alleviate the abject poverty, environmental degradation, political insanity, illiteracy rates and other burdens on individuals and the repercussions, they have on our Governments.

# THE MODUS OPERANDI OF FREEDOM GIANTS

Freedom Giants must be of sound character. They must be able to live at peace with others. Freedom Giants must be able to stand tall, and overlook all altruistic behaviours from others. Freedom Giants must be the Nation Builders. Freedom Giants must speak for all. Freedom Giants are leaders and must realise the quintessential roles they play in helping to form a stable country, void of conflicts, evil mannerisms, despicable acts and all forms of adverse acts. Freedom Giants are harmless. They bring Peace, everywhere they find themselves. Freedom Giants are the “Peace Brokers.” They stand for Peace, everywhere, they go. They take the risks to be able to see the Freedom, that needs to prevail in a society. They sacrifice themselves. They are the heroes and the heroines. Freedom Giants are worthy of applause and **AFRICAN VOICES INTERNATIONAL** hails every Freedom Giant playing various roles to see to the change, that needs to prevail, where necessary.

## THE FEATURES FREEDOM GIANTS, MUST POSSESS

### NATIONALISTIC

Freedom Giants must be Nationalistic. When they are Nationalistic and observe the traditions, customs and take pride in their nations, it creates the platform for the Nation's security. No one can invade or manipulate the customs of the country, when all Freedom Giants are Nationalistic. When we all join hands to be Nationalistic, we protect each other. We eschew every form of inferiorism and loneliness from amongst ourselves. We see ourselves as one people, with a common goal and work as a single Anatomy, to achieve it. This is why **AFRICAN VOICES INTERNATIONAL** is calling on all sundry to be Nationalistic. Africans are phenomenal and must uphold their Nationality at all times to uphold the Dignity of the continent, Africa. Whichever country you are in, **AFRICAN VOICES INTERNATIONAL** is entreating you all to uphold your country. That is how, Africa can thrive. That is how, Africa can make it happen. Let us stand tall, for our countries. We can do it.

## **BOLDNESS**

Freedom Giants must be very Bold. We must be able to stand tall through every circumstance, to the end. We must not go backwards or allow mediocrity to prevail in our societies. We must be strong. We must take the decision to fight every battle that comes our way. We must see to it that the Lion in us roars, if we indeed Freedom Giants. We must not sit down idly for things to go, anyhow. We must remain resolute about our intentions to cause and sustain the needed changes, we want to see in our societies. If we are not bold, we will not be able to carry on when there are various challenges along the journey. We must be daring. We must be optimistic. We must fight the battle. People like Ex-President Nelson Mandela, Dr. Kwame Nkrumah and President Kagame of Rwanda have all been courageous and that's why Africa is where we are now. We must fight and work for more. That is how Freedom can prevail, for posterity. We have to take the risks, as Freedom Giants. **AFRICAN VOICES INTERNATIONAL** is entreating all Freedom Giants to be bold and courageous, to take advantage of Africa's Democracy for the Freedom we need. We must believe in ourselves, and with that, we will get to our various destinations.

## **FREEDOM GIANT MAMAT CHAM FROM THE GAMBIAN ANATOMY**

## DISCIPLINE

Every Freedom Giant must be disciplined towards their goals. We must work to see the desired revolutions, we want to see in Africa. We must be ready to sacrifice our lives for the Freedom of our continent. We must not in any way relax our shoulders or wait to see any changes by anyone. We must take actions by ourselves. We must be fully punctual towards every task we put on our schedules, to perform. Having great adherence to our codes of ethics is a great tool for progression in our nations. Being punctual to work, leaders fulfilling their campaign promises, adherence to the Laws, and Social Accountability are just measures, every Freedom Giant, must possess for the Revolution. We need to have a sense of transparency in all we do. We must adapt to just principles, for an effective output we need for a formidable progress, in Africa. We cannot be mediocre with our goals, and with how we do our things, in fulfilling our set outputs. We will always come out with mediocre results. But if we want phenomenal results, we must always remain disciplined to our tasks, and that is how we can come out with resounding breakthroughs.

**FREEDOM GIANT LULEMBA NITUMOSA FROM D.R. CONGO**

## EXCELLENCE

Every Freedom Giant must be excellent. We must see to it that every area of our lives are functioning, just the right way they must function. We must stay genuinely true, to our motives. We must be very circumspect

of our actions and be cautious about the actions we take. We must take full responsibility for every action we take. We must at all times, go above the “normal.” We as Freedom Giants must walk in Excellence. Freedom Giants must be serious enough to administer their goals and bring them to fruition. We must be able to work on ourselves to come to a level of maturity, so that we can be self reliant. In so doing, we cannot in any way be cheated, bullied or oppressed. We could not have the Africa we have now, if people like Steve Biko and Marcus Garvey didn't fight for it. We must be people who are on a mandate and work towards achieving the mandate. That’s how Africa can thrive and Development will suffice in every nook and cranny of the African Anatomy.

**FREEDOM GIANT ADOMATI ALDO FROM UGANDA**

## **PATRIOTISM**

Patriotism is a very phenomenal factor in promoting National Development. We must support our own. We must defend our own to do the right things. We must cherish our leaders. We must give them the full support, when we see them, doing the right things. We must learn to celebrate everyone who deserves honour, in Africa. We must make everyone feel comfortable. We need to be Patriotic as Freedom Giants. In our workplaces, at home and wherever we find ourselves in, we must learn to be appreciative, show respect and recognition to our place of belongings. We have to celebrate and be courteous, to our leaders, hail the names of our institutions and give recognition to our Organisations, we belong to and work in. That’s a major tool for the Freedom we need. Africans need to be Patriotic. Every Freedom Giant needs to be Patriotic and in this way, we can attract more foreign investors to our continent. We must patronise our food, clothing and textile industry, our products, our people and what we stand for; a People of Freedom. That's how we can grow.

MR. ADAMA BARROW; PRESIDENT OF GAMBIA

**AFRICAN VOICES INTERNATIONAL** is encouraging all Freedom Giants to continuously remain united as an Anatomy, and promote this course, throughout the whole of Africa. We must see ourselves as one; an Anatomy. We must cherish each other, love each other genuinely just like ourselves, support each other at all times, by giving help to anyone, who needs help. No Freedom Giant must be left out of performing their responsibility. Every Freedom Giant must be a pacesetter for the reformation of **THE NEW AFRICA**, we need to live in. Freedom Giants ensure that Governments are accountable and bring forth fair and right outputs as stated in their manifestos and expounded in their policies.

# THE NEED FOR FREEDOM GIANTS TO PURSUE AND CHANGE THE GLOBAL ANATOMY

## 1. CIVIL OPPRESSION

There are various Governments in the African Anatomy, that are repressing the rights of the people. Some of these leaders have basically muted various civil servants, citizens and all sundry from expressing their views, because they re in power. The fear of various civil servants to loose their jobs, various citizens to loose Government allocation of support in their societies has kept them all in silence and our economies and standards of living, day by day are in question. Freedom Giants must stand tall and believe in themselves to fight for humanity. Freedom Giants must revolutionize the Global Anatomy and free people from Civil Oppression. Freedom Giants need to rise up to raise the Spirit of Nationalism on the part of both Government leaders and the ordinary citizen.

## 2. DISCRIMINATION

There are various fronts of discriminations in the Global Anatomy, that Freedom Giants need to rise up to the call, and bring an end to them. Freedom Giants need to change the settings and bring liberation to humanity. People are unfairly treated, disrespected, rejected and maltreated in public offices, at school, in their homes and in the open public. There is no need for anyone to be discriminated but sadly, people re categorised based on the colour of their skin, their race or sex. It is up to Freedom Giants to empower all sundry to fight the battle and come against such threats in the society. Freedom needs to prevail in the society at all cost and it must be the onus of Freedom Giants to sacrifice their lives for this . It is a wake up call.

### 3. CORRUPTION

Corruption has gained a major ground in our part of the continent. We find our leaders mismanaging the economies, not because they lack the technical know-how, but because they are engaged in acts of cronyism, bribery, nepotism, parochialism, extortion and bribery. This has been a deterrent to the development of Africa's Freedom. **AFRICAN VOICES INTERNATIONAL** is encouraging people to step forward as Freedom Giants, and be the right Pacesetters of change, Gamechangers and the Trailblazing Survivors in a cruel and bleeding world. We must set the standards right. We must refine the way and manner, by which things are being done. We must bring things to the right course. We must ensure the appropriate way of doing things. That's how Freedom will prevail in the Global Anatomy.

### 4. HUMAN RIGHTS ABUSES

The presence of human rights abuses in Africa is disturbing. People are not given the dignity they deserve. Basic Human rights such as the right to life and liberty, freedom from slavery and torture, freedom of opinion and expression, the right to work and education unarguably, must be granted to everyone. No one must be repressed of his or her rights, unless of course, he or she is suffering a penalty for defying law or infringing upon the rights of another fellow individual. The level of abductions, mass killings and sexual assaults in countries like Cameroon, Nigeria and Somalia are very disturbing and need to be addressed by Freedom Giants, as a matter of urgency.

## 5. NEPOTISM

Nepotism has been a problem in the continent of Africa. Africa is filled with so much bias relations, that we find it hard to be able to see the changes we want to see. People discriminate each other, maltreat each other, degrade other members of the human race from other countries, who travel to their countries, and abuse others in so many ways. People feel envious of seeing other people prosper, and so will do whatever they can to be unfair, rather allow their relatives even if unqualified to take up dignified roles. This is how we are harming our future. It is up to Freedom Giants to rise up, stand tall and speak out loud about these issues. We must confront these issues and allow the course of Freedom to prevail. That's how Africa can rise and suffice well as an excellent Anatomy, in the Global Anatomy.

If we as Freedom Giants want to realise our utmost goals then we must rise to the task of transforming humanity. If we want to change the settings of the Global Anatomy, then we must be proactive enough, and wake up to the call of changing Africa, again. This is the time and we must not delay it. Posterity is looking at us. The kind of foundation we create, is what, they will rely on, to also make impact, in the Global Anatomy. The time is now. We must make it happen.

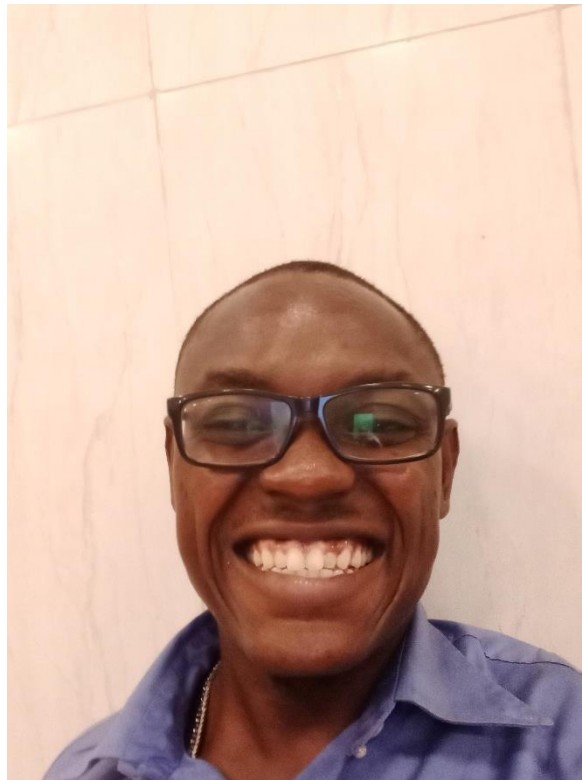

Freedom Giants must be active at every time. Freedom Giants must not be timid. Freedom Giants must at all times, open up themselves to play roles, that transform the state. Freedom Giants must never give in. Freedom Giants must always be focused till the end. Freedom Giants must stand tall. Freedom Giants bring liberation and uplift the power of the people. As a result, they must be awake, all the time. All Freedom Giants must be on guard. Freedom Giants must be strong and stay to attaining their goals, of bringing Freedom, to the Global Anatomy.

All Freedom Giants must at all times, remain united. Freedom Giants must be of the same mind, of bringing Freedom to the Global Anatomy. Freedom Giants must be watchful and always safeguard themselves against perpetrators and various people who will want to manipulate the course of Freedom, with various subversive and altruistic doctrines. Freedom Giants must always support each other, and defend each other in times of hardships. Freedom Giants must always learn to fight for the rights of other Freedom Giants when they are going through various forms of oppressions. That is how we can all see to the Freedom, we need.

Africa is for us. Let us fight for the Freedom of the land. Let us work tirelessly to ensure that the just soul is protected from harm. Let us promote the spirit of Africa, everywhere we go. Let us play our roles professionally, as Freedom Giants. That is how, Africa can grow. Let us never give in. Let us always stand tall. Let us believe in ourselves. Africa has a bright future, and it can be achieved through us. Let us wake up Africa again!

**MESSAGE FROM THE FOUNDER OF AFRICAN VOICES  
INTERNATIONAL, PRESIDENT ISAAC KWABENA BOADU**

Africa is set to grow. Africa is set to thrive. The land of Africa is a free one. We have all it takes to make and take Africa, where she deserves to be. However, what we need to do is protect the continent from Political Anarchy. We must create the road as Freedom Giants to where Africa needs to be. We must remain resilient in our quest to take Africa to the top. Africans must be rejuvenating all the time. For this restoration, to come , we must remain relentless and that is how we can birth the New Africa of Freedom, we have already had, but has been diluted by imperialists. This is our time. Let us transform Africa. Let us make it happen.
